WESTERLY

Harold T. Lowe, superintendent of the Hopkinton and Charlestown schools, had a narrow escape from drowning Friday morning while bathing at Atlantic Beach. He was rescued by Roy Mattison and it was a half hour before he regained consciousness after being taken from the water.

Mr. Lowe was with the school children of the Hopkinton district, who were enjoying their annual picnic at the Atlantic Beach casino, and had gone in bathing alone about 11 o'clock. He swam out beyond the breakers and was caught in the undertow, being drawn twice beneath the surface. Roy Mattison, who had driven the automobile truck from Ashaway to the resort, saw Mr. Lowe's predicament and immediately went in after him, bringing the unconscious man to shore.

He was put on a cot in the pavilion and first aid treatment was administered by several ladies who were with the party. Dr. M. H. Scanlon of Westerly was called and he arrived shortly afterward. When he arrived the man was still unconscious. He responded to treatment, however, and at noon he was declared out of danger. He was taken to his home in the ambulance of the Westerly Sanitary corps.

Mr. Lowe is an ex-service man and served overseas as a captain in the 26th division. He was thrice gassed and once wounded in line of duty.

Roy Mattison, who rescued Mr. Lowe, is also an ex-service man and served overseas with an artillery unit.

MOOSUP MEETS STERLING IN SECOND GAME OF SERIES

The Moosup and Sterling teams met Sunday, June 26 at Sterling in the second game of a three game series. Sterling defeated Moosup in the first game 4-1, and have the same confidence, which has carried them through this season without a defeat. Moosup is going to even the series so they say—while Sterling is saying nothing. A record crowd is expected to turn out as the first game was a thriller and nobody's game until the last man was out. Oberg will pitch for Sterling and probably Tobin for Moosup, and with two lively teams backing them should furnish a great afternoon's sport. Sterling would like to arrange games with Taftville, Ashland and Plainfield.

JACK JOHNSON PICKS DEMPSEY TO WIN

Leavenworth, Kansas, June 24.—Georges Carpentier has but little chance to take the heavyweight pugilistic crown from Jack Dempsey in their contest at Jersey City July 2, in the opinion of Jack Johnson, former heavyweight champion, who now is completing a term of one year in the federal penitentiary.

MOOSUP CATTLE MAN IS TO ANSWER IN COURT

Following investigations by the state commissioner on domestic animals which resulted in the matter being brought to the attention of the federal authorities, W. C. Saragone of Moosup, has been summoned to appear at the session of the United States court at South Norwalk next Tuesday to answer to a charge of transporting cattle from one state to another without having them submitted to the tuberculosis test as required by law.

It is alleged that Mr. Saragone transported twenty-five cows from Boston to Moosup, only one of which had been examined by a government veterinary, and that twelve of the cows were subsequently found to be tubercular.

The defense of Mr. Saragone is that the cows were given the test by a private veterinary, and that they were all pronounced to be healthy. He claims that he did not know that the test must be made by a government or state agent in order to comply with the government or state laws.

The penalty is not less than \$100 or more than \$1,000 fine, or not more than one year imprisonment.

here on a white slave conviction.

"Carpentier is just an ordinary fighter and is not capable of swamping punches with Dempsey," Johnson said today. "I have seen him box and have worked many times with Carpentier in France and while they were only work-outs, I am sure I gauged his ability. His speed is good, but it is nothing extraordinary, and his right is not the best."

"I have never seen Dempsey box, but from what I have heard and even if he is a good second rate he should beat Carpentier."

Johnson, weighing 230 pounds now and apparently in good physical condition, will meet Harry Wills, negro heavyweight champion, in New York on August 29.

Upon his release from Leavenworth at the expiration of his sentence July 7, Johnson will box several bouts in Kansas, the first of which is scheduled for Leavenworth that night against Jack Grover of Chicago.

Since he has been in Leavenworth penitentiary Johnson has obtained patents on two devices—an anti-theft appliance for motor cars, and a monkey wrench.

In preparation for again becoming a free man the former champion has ordered twelve suits of clothing.

Five houses near Inishannon were burned down today at the same time the Inishannon police barracks were attacked, but there were no casualties.

CONSTABLE SHOT CHILD AND WOMAN IN ENNIS

Ennis, Ireland, June 24.—Auxiliary Constable Murdoch, chasing a party of men through the streets of Ennis tonight, fired several revolver shots, killing a 5 year old child and wounding a woman and two men. When arrested and disarmed, Murdoch said the men tried to seize his revolver while he was in a shop.
